Casey,

Thank you for using the 311 system. I really appreciate it.

I want to keep the pressure on GAP to provide service in the PBID. Please keep me updated when you receive the completed email. I want to have a track record of how long it takes them to respond. I would like you to continue to do some of the specialty areas such as the Warner Grand Theatre.

I am working on trying to increase the number of hours we have you working. I hope to be able to make the change in February.

Meanwhile, I need the alley behind Papadakis building cleaned.

Thank you.
